

Caring about you and bees

Ting Pan

Karibee Director

Karibee is a premium honey brand from Western Australia. We focus on research development and innovations bee products.

We are dedicated to develop pure natural bee related products including honey, bee peptide skincare and comprehensive healthfood.

Karibee founder

# Bangzhao Pan

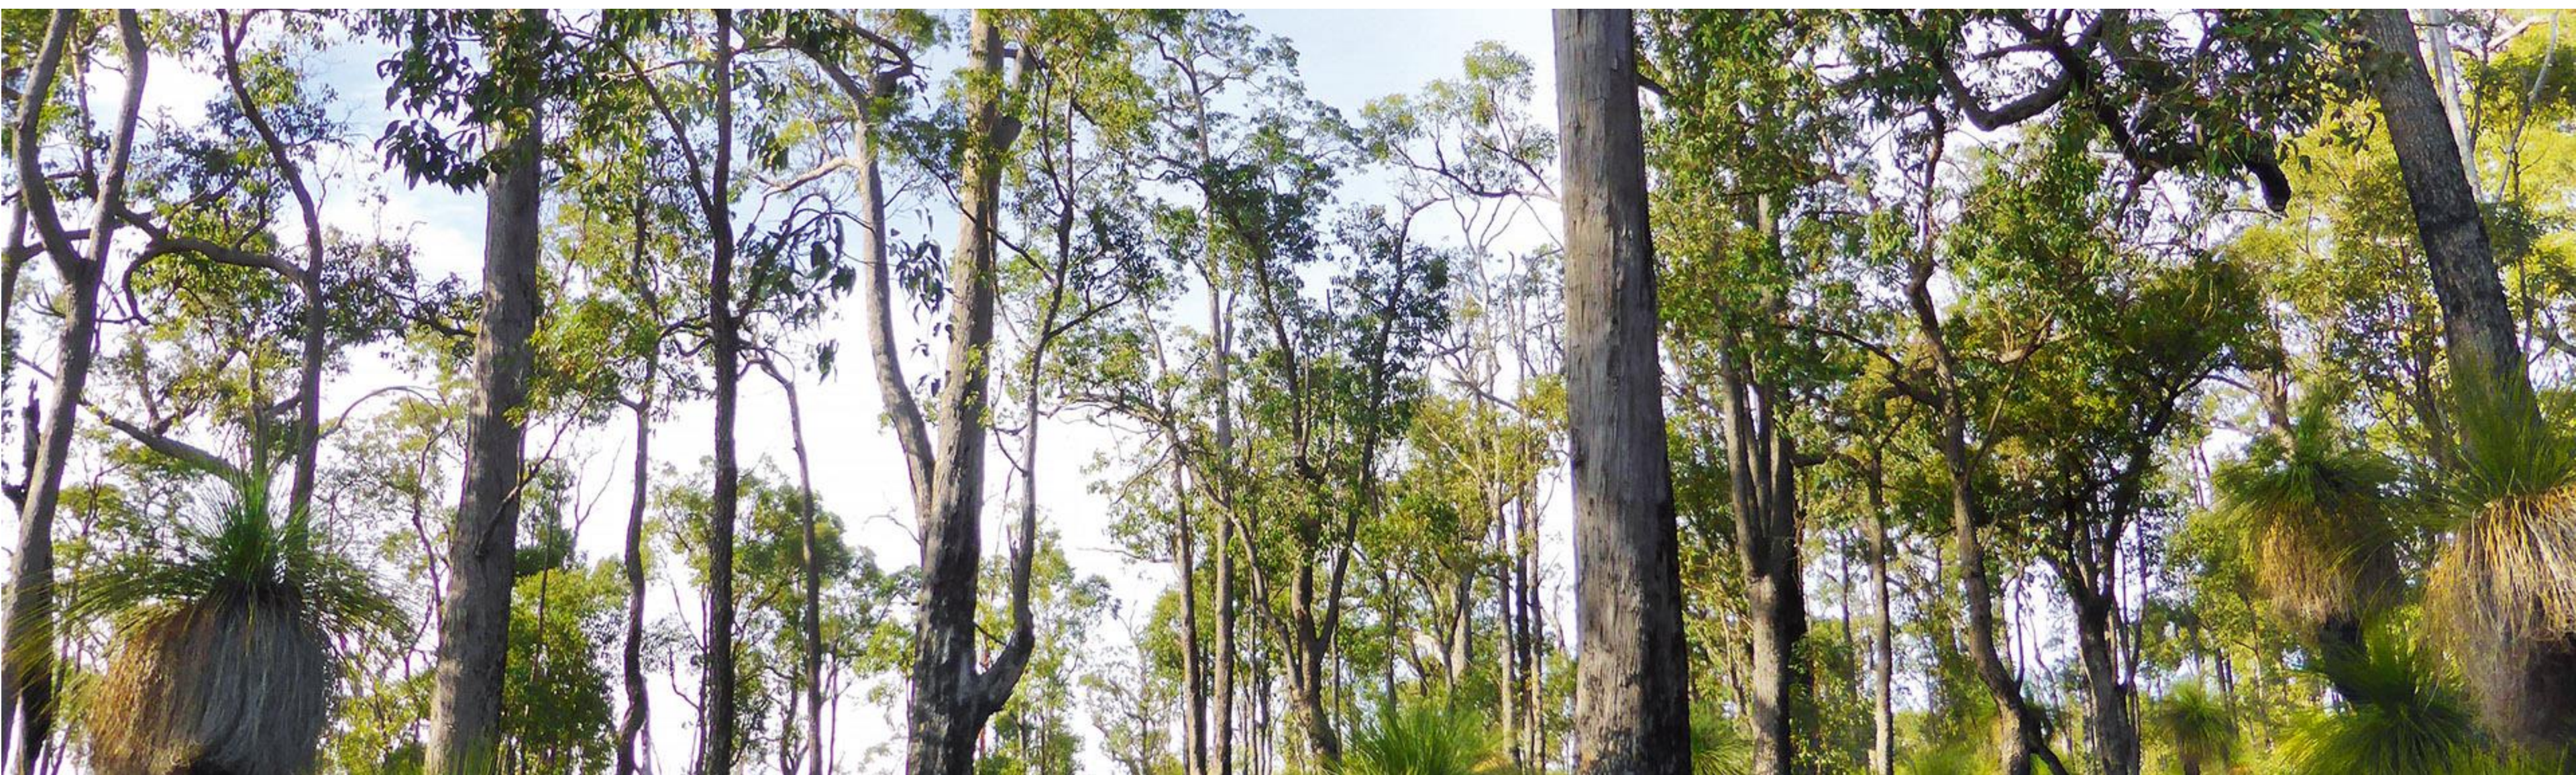

- A beekeeper dedicated to devoting his lifetime to innovative beekeeping

'They can steal my idea but won't be able to steal my brain'

# Western Australia natural environment

## - The Story behind it

- Western Australia have most species of eucalyptus tree in the world, more than 550 different type.
- More than 40m tall
- Unique eucalyptus type that only WA have: Jarrah, Redgum, Blackbutt, Karri etc
- Flower once every 2 years

## Western australian honey – Liquid gold

---

- Sore throat, cough
- Stomach ulcer
- Anti-inflammatory,
- antibacterial Antioxidant,
- anti-aging, etc.
- No Vero-mite (bee mite)
- No bacteria
- Extremely high activity, up to 70+, 2-3 times than manuka

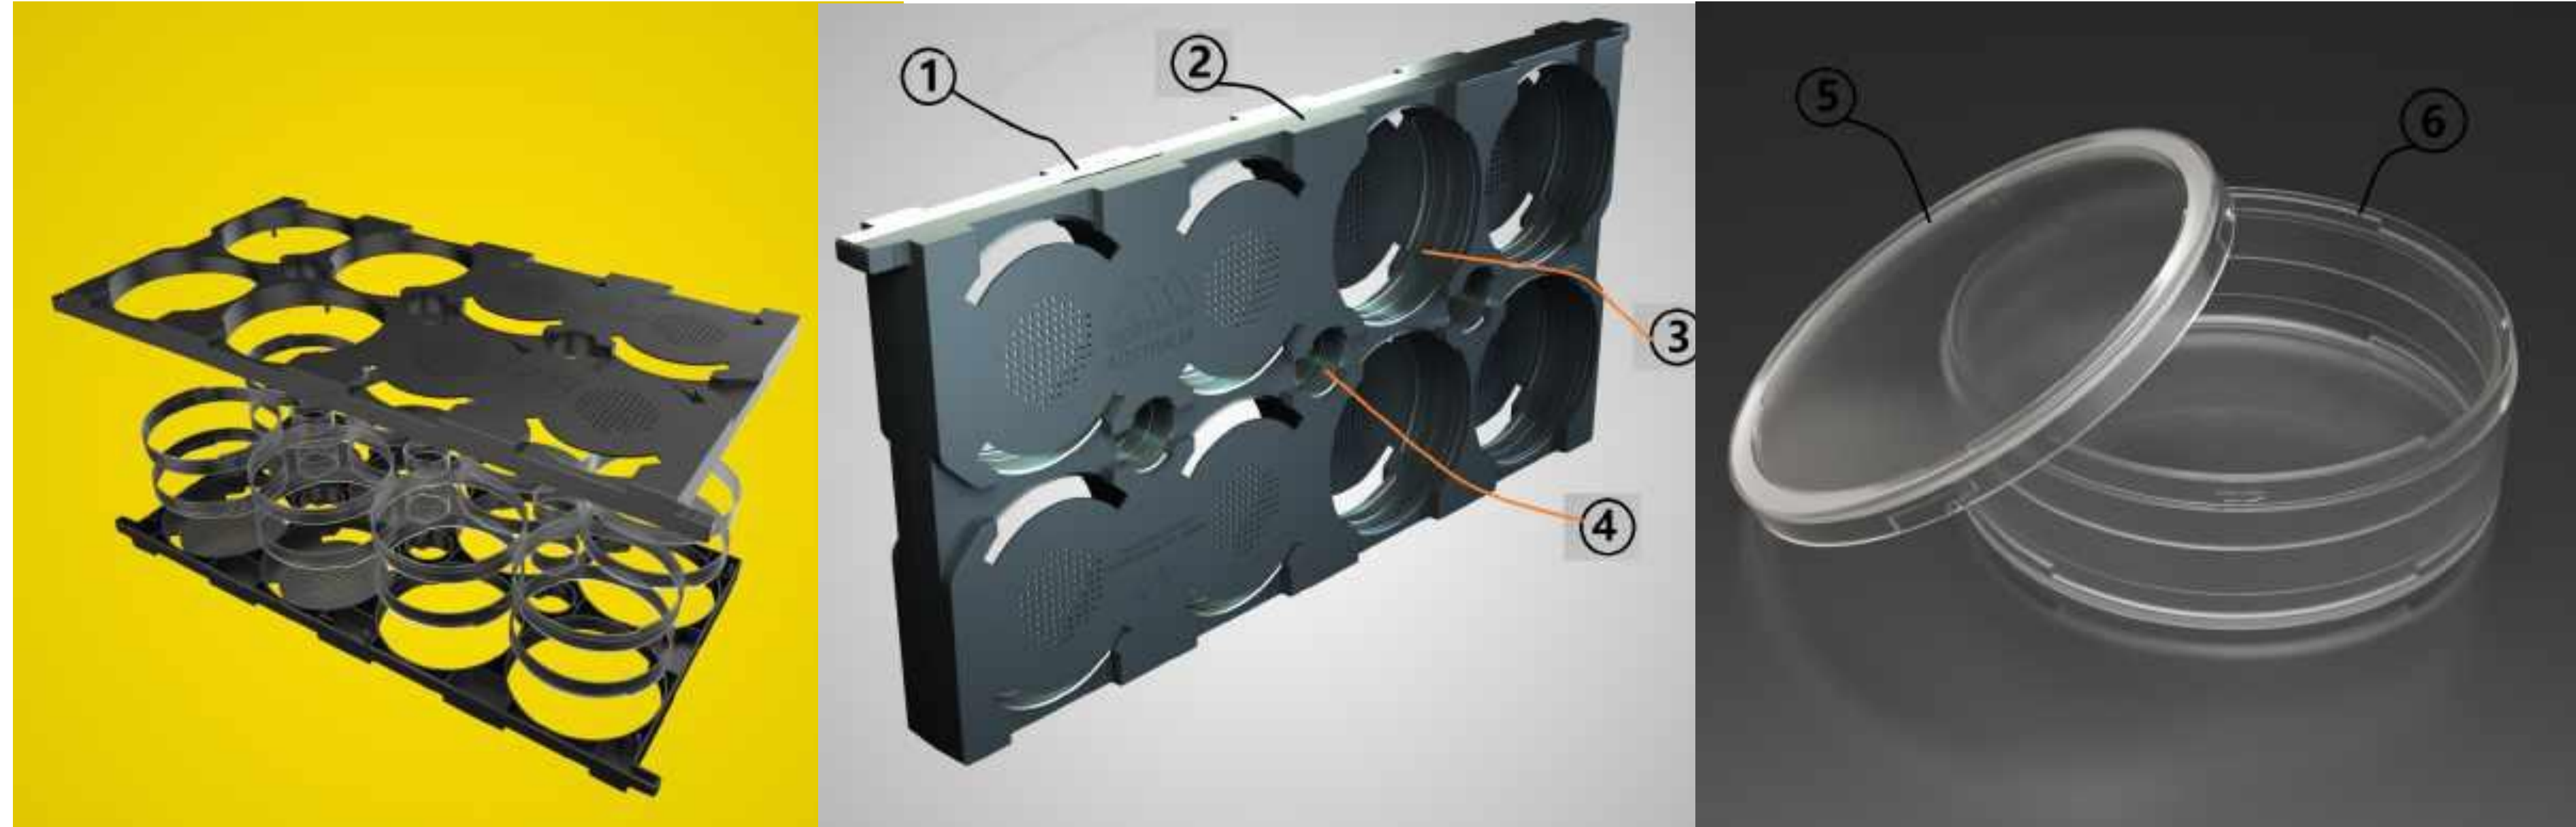

- ANB is the first company in Australia utilises EasySnap packaging.
- A slim card size design for use anytime and anywhere Allows easy, one-hand opening.
- Environmental friendly, compare to traditional plastic packaging, easysnap does not disperse any residue and is more easily recyclable.

## Honeycomb Frames- ANB's Potent Beehive

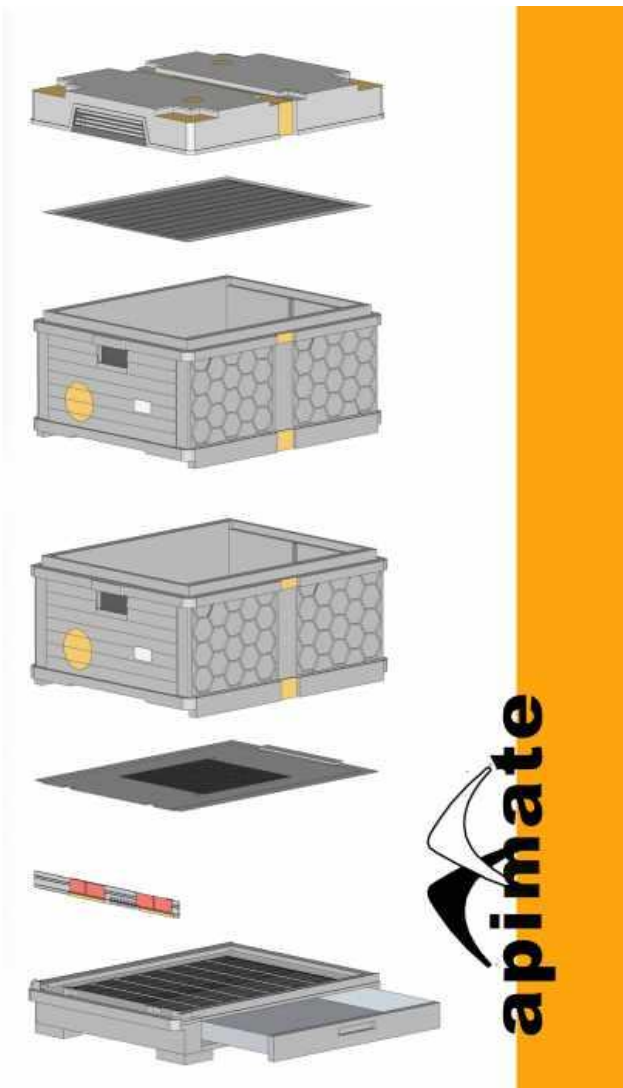

- Fully automatic production can save at least 60% of labour
- Low cost, simple operation, easy to use, can increase employment opportunities.
- No tools are used in process, avoid secondary pollution and improve honeycomb quality.
- The sealed slot solves the problem of honeycomb leaking

• **2022 AIFST innovation award – (honey Moon)**

# Apimate Smart Beehive

- The 3<sup>rd</sup> Prize of Alpha Innovation Contest 2019
- Intelligently record the temperature, humidity, weight, the number of bees in and out of the hive, etc. It helps to analyse the status of the beehive more conveniently.

# Bee Pollen Tea

Marri Bee Pollen contains 21 amino acids, which are completely consistent with the 21 amino acids required by the human body

1<sup>st</sup> in the worlds, to put bee pollen into capsules and make pollen tea with Dolce Gusto.

Using water steam to press out the pollen tea, to ensure the nutrition is not destroyed, and the bee pollen tea is rich in flavour.

# Flow Hive
